

Sacked: Gridiron Series #1

Knox Masters knows what he wants, and he gets it. All-American football player? Check. NFL pros scouting him? Check. Now hes set his sight on two things: the national title and Ellie Campbell. Sure, shes the sister of his teammate, but thats not going to stop him. Especially not when hes convinced that Ellie is the one. But Ellie isnt as sure. Shes trying to start a new life, and shes not interested in a relationship...with anyone. Besides, its not just her cardinal rule of never dating her brothers teammates that keeps her away; Ellie has a dark secret that would jeopardize everything Knox is pursuing.
