

Groom Wanted (Love Inspired Historical)

Its a perfect planbest friends Leah Bowen and Jake Lure will each advertise for mail-order spouses in the papers, and then Jake will help select Leahs future husband, while Leah picks Jakes bride-to-be! Surely the ads will find them what they seek: a wife wholl appreciate Jakes shy charm and a groom wholl take Leah away from the Idaho Territory she detests. When the responses to the postings pour in, it seems all Leahs and Jakes dreams will soon come true. But the closer they each get to the altar, the less appealing marrying a stranger becomes. Is it too late to turn backor to turn around and find the happiness they truly seek together, at last?
