

Metrochicago, Volume 2, Frank Lloyd Wright Field Guide

The Frank Lloyd Wright Field Guide series provides the first comprehensive visitors guide to all of Wrights buildings in the United States. Each guide is written and compiled by an acknowledged expert on Frank Lloyd Wright, Thomas A Heinz. With his highly readable and informative style, Heinz presents each building page by page, providing brief histories and background details, information on accessibility and viewing, and directions from Interstate routes. Every entry is accompanied by a photograph and location map produced by the author. There are four books in the Field Guide series: Upper Great Lakes, MetroChicago, West, and East, Each guide is arranged geographically, beginning in the northwest and ending in the southeast of the region covered. Full alphabetical and geographical lists enable buildings to be easily accessed either by location or name.
