

Joan and Peter (Annotated): The Story of an Education

*This Book is annotated (it contains a detailed biography of the author). *An active Table of Contents has been added by the publisher for a better customer experience. *This book has been checked and corrected for spelling errors. Joan and Peter, a 1918 novel by H. G. Wells, is at once a satirical portrait of late-Victorian and Edwardian England, a critique of the English educational system on the eve of World War I, a study of the impact of that war on English society, and a general reflection on the purposes of education. Wells regarded it as one of the most ambitious of his novels.
