

## Complete Photo Guide to Window-Top Treatments: Do-It-Yourself Valances, Swags, and Cornices

Window top treatments - swags, valances, and cornices - are very popular DIY home-decor projects. Quick and easy to sew, they soften and finish off a window and often are combined with blinds, curtains, or drapes. The Complete Photo Guide to Window Top Treatments is the only book that tells how to choose the right style and construct it step by step. Color photographs show twenty top treatments in a variety of room settings, fabrics, and decorative hardware. Each window treatment has detailed, step-by-step instructions for measuring the window, calculating yardage, cutting, sewing, and installing. Following in the tradition of CPis Windows with Style and Creative Window Treatments, The Complete Photo Guide to Window Top Treatments launches a new how-to series of window decor books.
