

El Principito (Spanish Edition)

El Principito es un clásico de la literatura infantil, pero llega al corazón tanto de niños como de adultos que se conmueven con su lectura. En este extraordinario relato, Antoine De Saint-Exupery narra la historia del Principito, el cual a través de un lenguaje sencillo y de vivencias propias, deja enseñanzas de vida que ayudaran a la comprensión y valoración, tanto de las cosas simples como de las complejas. Pido perdón a los niños por haber dedicado este libro a una persona grande. Tengo una excusa: esta persona grande es el mejor amigo que tengo en el mundo. Tengo otra excusa: esta persona grande puede comprender todo; hasta los libros para niños. Tengo una tercera excusa: esta persona grande vive en Francia donde tiene hambre y frío. Tiene verdadera necesidad de consuelo. A Leon Werth, cuando era niño.
