

## Secret Star (Phantom Stallion #19)

For the Phantom, there is only one girl. For Sam, there is only one horse. A movie star horse and his trainer are coming to River Bend Ranch, and Samantha can't wait. But when Bayfire shows up, something is obviously wrong. The famous stallion has lost his sparkle. Bayfire has to get ready for his biggest, most dangerous scene of his new movie. If Sam can't help bring back the stallion's fiery spirit, his career could be over -- and someone could get hurt.
