

World Cup Football: Teams and Players, Facts and Figures (Haynes Pocket Manual)

Haynes Pocket Manuals are a new series of small books providing factual and practical information on a wide range of popular subjects, including machines, history and the natural world. Aimed at children, they are written using language suitable for young readers and are fully illustrated in color throughout. World Cup Football is a useful at a glance guide to the 32 teams competing in the 2010 World Cup, including team history and significant results, key players for 2010 and past heroes. In addition the book will include general information on the history of the World Cup with a useful appendix of results.
