

## Indiana (French Edition)

Il s'agit du premier roman que l'écrivain signe sous le nom de George Sand et qui remporte un vif succès. Indiana est une jeune créole de dix-neuf ans issue d'une famille noble. Elle épouse par devoir le colonel Delmare, un homme âgé et brutal. Ses jours s'écoulent tristes et semblables dans leur propriété du Lagny. Elle vit aux côtés de Noun, sa femme de chambre et seule amie, et de son cousin Ralph, un homme rendu taiseux par des malheurs précoces. Indiana fait la rencontre de Raymond de Ramière, un jeune noble voyageur et séducteur qu'elle pense être son sauveur mais qui la perdra.
