

Absolute Beginners Guide to iPod and iTunes (2nd Edition)

Apple has taken the digital music world by storm and the Absolute Beginners Guide to iPod + iTunes, Second Edition is your umbrella. It will provide you with all of the information that you need to get the most out of these amazing digital music tools. From the basics of listening to audio CDs using iTunes to purchasing music from the iTunes Music Store to customizing playlists on your iPod, you will be equipped to master digital music using these tools. You'll discover how each tool works on its own and then how you can use all three together to get the most out of each tool. The second edition also includes coverage of the new iPod photo and iPod shuffle music players. Join the millions of people who are using iPod and iTunes every day with the Absolute Beginners Guide to iPod + iTunes, Second Edition.
