

# The Adventure Collection: The Lost World, The Time Machine, Twenty Thousand Leagues Under The Sea

Three classic adventures on land, under the sea and in the future. The Lost World, is Sir Arthur Conan Doyle's wild tale of finding prehistoric animals in modern South America, an inspiration for Michael Crichton's Jurassic Park. H.G. Wells' The Time Machine takes us to the year 802,701. In Twenty Thousand Leagues Under The Sea, Jules Verne introduces Captain Nemo and creates another world in the great oceans. Unabridged F. P. Walter translation.
