

Salvaje (Spanish Edition)

Tendria que hacerse con ella, pero no solo con su cuerpo, sino tambien con su alma. Quiere dominarla, pero lo que de verdad ansia es que ella lo desee. Max no podia negar que la idea de someterla lo llenaba de expectativa. La imagen de la completa sumision de Victoria, el fuego que habia visto en sus ojos y su terrible indiferencia hacian que cada musculo de su cuerpo se tensara. Ademas, y por primera vez, existia una posibilidad remota de fracaso, y eso le hacia desearla hasta limites insospechados. Un juego en que lo unico real es la pasion. Sylvia Day tiene un talento unico para escribir sobre seductoras heroicas y sus heroes son siempre la personificacion de la perfeccion masculina. Max y Victoriano son una excepcion. Constituyen unos personajes sofisticados, atractivos e inteligentes, y la delicada seducción que ejercen el uno sobre el otro es sencillamente impresionante.
