

Last Scene Alive: An Aurora Teagarden Mystery

In the first installment of Charlaine Harris's Aurora Teagarden series, *Real Murders*, the small town of Lawrenceton, Georgia, was beset by a series of horrific murders. Librarian Aurora Roe Teagarden teamed up with true crime writer Robin Crusoe to catch the killer, and the results of their investigation have gone down in Lawrenceton history. Now, in *Last Scene Alive*, Robin is back in town, set to begin filming the movie version of the terrible events of so many years ago. Of course he's not alone—he brings with him a cast and crew the size of which nearly overwhelms the tiny excitement-starved town. Roe is disturbed to discover that the film crew includes her stepson, who despises her, as well as an actress set to play her in the film. Everyone in Lawrenceton suddenly goes movie crazy, mentally composing awards-acceptance speeches while prancing around the fringes of the set awaiting discovery. Roe is not so crazy about the whole thing...and neither is a secret, vicious murderer. When bodies start dropping, it's up to Roe to reprise her role as amateur sleuth and stop the carnage before it gets out of hand. It's no problem for the beloved small-town librarian in this wonderfully cozy installment in the adored Aurora Teagarden mystery series.
