

## Le Cousin Pons (French Edition)

Deux mots suffisent à tout éclaircir, madame, dit Fraisier. Monsieur le président est le seul et unique héritier au troisième degré de monsieur Pons. Monsieur Pons est très malade, il va tester, s'il ne l'a déjà fait, en faveur d'un Allemand, son ami, nommé Schmucke, et l'importance de sa succession sera de plus de sept cent mille francs...

Si cela est, se dit-elle-même la présidente foudroyée par la possibilité de ce chiffre, j'ai fait une grande faute en me brouillant avec lui, en l'accablant.

Non, madame, car sans cette rupture il serait gai comme un pinson, et vivrait plus longtemps que vous, que monsieur le président et que moi... La Providence a ses voies, ne les sondons pas !
