

Lost in Tibet

Discouraged after a doctorate in psychology that did not reveal the secret to happiness he had been expecting, 35 year old Jonathon Drake rides himself of all possessions and embarks on a dangerous adventure into remote Tibet. Accompanied by a beautiful Tibetan woman with her own agenda, he sets out to deliver funds to rebuild a Buddhist monastery. Will his chance to seek enlightenment in this mythical, immutable setting lead to his goal or will he lose his soul in Katmandu?

BASED ON A TRUE STORY The author encounters life threatening events, temptations and seductions on his quest for true happiness. - Reverend Cinoevil
