

## Mosbys Prep Guide for the Canadian RN Exam 2e + Mosbys Comprehensive Review for the Canadian RN Exam Pkg

This cost-saving package is a must-have for all Canadian nursing students! Mosbys Comprehensive Review covers each major clinical area in depth with practice questions at the end of every content review chapter. Including a 300-question practice exam, which is also found on the accompanying CD, the book is designed to help students prepare for tests throughout their studies as well as for the RN exam. Each review question is page-referenced to the content in the text so that rationales for questions answered incorrectly can be easily found. Answers are provided at the end of the book. With tips and strategies for the CRNE itself, and as the ONLY fully Canadian comprehensive exam review available, it is an indispensable tool for success throughout the nursing curriculum. Mosbys Prep Guide for the Canadian RN Exam: Practice Questions for Exam Success, 2nd Edition, is the ideal pairing with Mosbys Comprehensive Review. The Prep Guide features an entirely different set of questions from the Comprehensive Review. With three full practice exams, more information about the CRNE, and study and exam tips, the Prep Guide simulates the actual exam experience so that students know what to expect. Featuring more review questions than any other prep guide available, Mosbys Prep Guide for the Canadian RN Exam, 2nd Edition, is full of questions to help students feel confident about writing the CRNE. NOW Updated to reflect the new 2010 Exam competencies!
