

## Naive Awakening

Lessons in love Sleek city animals like successful attorney Nicholas Reynolds were a rare species in Leighs quiet hometown. But Nicholas had a mission: as a favor to an old family friend, he planned to help Leighs wayward little brother out of a scrape. In return, he demanded that Leigh must work for him! However would Leigh, a plain-speaking country girl, fare in the big, bad city in the hands of Nicholas, a sophisticated man with too much charm for his own good? And worse, he seemed determined to use all of that charm on Leigh.
