

## Daviss NCLEX-PN® Review

Fully addressing the changes implemented in the new NCLEX-PN Test plan, and with additional content review and questions, this new edition of Daviss NCLEX-PN Review addresses every Client Need category and subcategory on the 2005 Test Plan, includes Integrated Processes, and introduces alternative item format questions. Striking the right balance between content review outlines and questions and integrated tests, Daviss NCLEX-PN Review, 3rd edition, also now provides a money back guarantee. A CD-ROM packaged with the book includes a 1,200-question test bank to help familiarize the student with test-taking on screen
