

## The 33 Laws of Tennis: 33 tennis concepts to help you reach your potential.

THE 33 LAWS OF TENNIS By Joseph Correa Learning to master the mental side of tennis has always been a difficult part of the game. Some players have decided to simply not train mentally or simply ignore it which is a big mistake. It is said that winning in tennis is 80 - 90 % MENTAL! Just take into account that key points in a tennis match such as match point, game point, break points, and set points, are all crucial situations that can decide the outcome of any particular competition. SO WHY DO MOST PEOPLE SKIP MENTAL TRAINING? Take into account that on average a tennis match lasts 1 hour and 30 minutes. Focusing for such an extended amount of time is not easy task but with the right concepts and ideas to get you there things will become more obtainable. Start reading and putting into practice the concepts and ideas provided in this book so that you can get the most of your game and win more often.
