

Football: The Violent Chess Match : A Fans Guide to Strategy

Millions of fans watch football, but many of them only watch the ball carriers and tacklers. They do not see that much of the excitement lies in the careful planning and strategies of masterful coaches facing each other across the gridiron. They do not realize that football is, more than anything, a violent chess match. This book take the fans into the minds of the games great coaches and explains the strategies and tactics that determine the difference between victory and defeat.
