

No Matter What (Billionaire Bargains)

Handsome billionaire Adam Steele is good at getting his way. If nothing else, money always works-until he realizes he cant buy his daughters way out of her new wheelchair. Three private physical therapists later, hes almost given up on Emily walking again. Then he meets Dr. Jaden Monroe. Feisty physical therapist Jaden Monroe has never met a man quite like Adam. Shes not sure if its his Im-in-charge attitude or the heat in his eyes when he looks at her, but she finds herself wanting to say yes to anything he asks. Like when he asks her to help his daughter walk again. Of course, the million dollars he offers-just enough to finish the pediatric rehab wing Jaden has been working for and dreaming of-is hard to say no to as well. But Jaden didnt anticipate a teen whose injuries are more than physical. Or a man so passionate and devoted. As she and Adam fight their attraction, the only thing harder than keeping her promise will be keeping a hold on her heart. Contains mature themes.
