

Nursing Assistant/Nurse Aide Flash Review

An aging population, boom in residential care facilities, and increasing home healthcare services have made nursing assistant and nurse aide some of the fastest growing positions in health care. Certification is a requirement for both titles, and this preparation guide provides all the comprehensive information needed to master the official exams. Nursing Assistant/Nurse Aide Flash Review is a handy, portable guide that will be valuable for candidates on the go. Learning the terms that are a part of every current and aspiring nursing assistant or nurse aides vocabulary is essential for preparing for the both exams. This new title will contain 600 clearly defined terms and concepts commonly tested on the exams. A strong knowledge of these terms is also essential for required refresher courses, as well as general competence in the field.
