

## NURSING: Solved Question Papers for BSc Nursing-4th Year (2012-1999)

This book Nursing: Solved Question Papers for BSc Nursing (4th edn) contains all the subjects in 4th year that are newly included such as Management of Nursing Service and Education, Nursing Research and Statistics. Apart from that the already existing subjects are Midwifery and obstetric nursing, community health nursing II. All the subjects are explained clearly, concisely, and legibly in points, targeted to score good marks in each subject. The contents in each subject are explained with required diagrams and tables as per the examination point of view. List of repeated questions are highlighted at the end of the book. Adequate new details are added to each question paper. The students whoever go through this paper will be able to get a good concept about each question and the presentation of the contents. This book is a ready-reference tool from examination point of view.
