

## One Glass Is Never Enough

Three women, one wine bar and three different reasons for buying it. Single mother Sarah needs a home for her children, Claire an ambitious businesswoman. For Gaynor, its just another amusement. On the surface, Gaynor has it all-money, looks, a beautiful home and Victor, her successful husband. While Sarah longs for love and Claire is making money, Gaynor wants answers. Nobody is quite what they seem in this tale of love, loss and betrayal.
