

Designs With Depth: Pretty Patterns & Mandalas (Magical Mandalas) (Volume 1)

This adult coloring book features beautiful images a variety of mandalas and patterns! Enjoy the Stress Relieving Relaxation of Coloring You Had When You Were a Child with More Elaborate Drawings Than A Childrens Coloring Book! Each page is single sided so you can cut out the page and frame it or use markers without worrying about them bleeding to an image on the other side. The images are shaded with grayscale. You simply cover over the shaded parts like normal, and it gives extra depth and dimension! Color like you normally would, and watch the designs really pop! This book includes 40 Unique and Original single sided pages to color!
