**People Eat with Their Eyes: How to Create an Effective Book Trailer** I get a lot of questions about book trailers: Do they really sell books? Do they cost a lot of money? Chefs always say that diners first eat with their eyes. The same is true with books. **ROCK YOUR BOOK: 10 Ways to Market Your Book like a Pro - Pinterest** Here's why a book trailer might be a good choice for you. Let's face it: Fewer people are browsing through bookstores and libraries. In an age of information overload, book trailers offer a low barrier to entry to consume. It's easy to sit back and watch.
