

## Pinnacle Studio 14 Revealed

Learn to edit with Pinnacle Studio 14 Revealed - a practical guide to using the latest version of Avids popular video editing program. The approach is one of learning by doing, with four projects to construct and many other practical demonstrations. This book tells you what you actually need to know; written in a linear but informal style, it has real world answers to many common questions. The author works in television production, and has been using Studio to create showreels for over ten years. Make movies from raw footage. Build menus from scratch. Produce compatible DVDs. Discover relevant background information. Understand advanced topics including keyframing. Pinnacle Studio 14 Revealed explores new features including Montage and is illustrated with Windows 7 screenshots, but has been written with owners of Studio HD, earlier versions and operating systems in mind. Where this book isnt supplied with a data DVD (available by post), the raw material is available for download.
