

# PMP Exam Prep Essentials: Your Condensed PMP Exam Prep Study Guide

Jumpstart your PMP Exam preparations with the PMP Exam Prep Essentials Study Guide. Make sure that you have covered the key PMP concepts. The Essentials Guide contains the most important terms, definitions, methods, and formulas for your PMP Exam preparation all in one place. It covers the essential concepts, and includes all Inputs, Tools, Techniques and Outputs (ITTOs) for every project management knowledge area. And its less than 60 pages long! That's only about 10% of the full PMBOK Guide. The information is logically organized for easy look-up and reference throughout your studies. That means you can use the Essentials Guide at all stages of your PMP prep: Use it at the beginning to kick-start your studies before you even open the PMBOK Guide. Use it as a check list during your studies to ensure that you have reviewed all the essential concepts. And use it at the end to review and refresh crucial concepts in the days just before your PMP Exam. So don't get overwhelmed by the PMBOK Guide! Instead simplify your PMP exam prep. The Essentials Guide is written for you by PMP Exam experts, who painstakingly researched the topics and concepts that you need to know to pass your exam. Use it as your PMP Exam Cliff Notes to save time, reinforce learning, and accelerate your PMP Exam prep process. The Essentials Guide is instructional, concise, and easy to access. And because it is a PDF eBook, you can easily carry it with you wherever you go, creating more opportunities to prepare for your PMP Exam.
