

PMP Exam Success Series: Exam Simulation Questions Book

The PMP Exam Success Series: 3rd Edition PMBOK Exam Simulation Book is a key tool for the future PMP to gauge their level of understanding of the complex topics covered on the exam. This allows the user to see where they are strong and where they need more help. The format of the questions and answers are set up to provide explanation of why an answer is correct or incorrect, providing increased comprehension of the knowledge needed for PMP Exam Success. There is a complete 200 questions integrated test, not available on our other books as well as 30 questions per topic area, including framework and professional & social responsibility.
