

## PMP Q&amp;A

PMP Q&A is your best one-stop resource and prep guide for the Project Management Institutes PMP (Project Management Professional) certification exam. This complete learning aid/study guide will prepare you to take the current exam for the most popular certification in today's project management industry--an internationally recognized certification of project management expertise. This book features not only a full set of sample questions and answers, but--importantly--explanations of the correct answers, drawn from project management Knowledge Areas, including scope management, time management, cost management, quality management, and much more. Each of the PMP exams Knowledge Areas is covered, and pre- and post-tests help you fine-tune your study focus. Whether you're new to project management or a veteran, PMP Q&A will help you prepare for this important certification, test your knowledge, and do your best on exam day.
