

Considering Calvinism: Faith or Fatalism?

Are you considering Calvinism? Do you know about or understand any of the tenets of Calvinist theology? Whether you are considering Calvinism or are already a Calvinist, this book is for you. Gil VanOrder approaches his consideration of Calvinism from a laymans perspective, without the encumbrances of high-minded philosophy or religiosity, and he expounds on the truth of the Bible in order to expose and expel the heresies that contradict it. His power-packed presentation challenges long-held beliefs with biblical evidence. Are you up to the challenge? Read this book to find out now!
