

Pretty Much Screwed

I dont love you anymore. For Charlotte Crawford, the worst part about being dumped after 20 years of marriage is that her husband, Jack, doesnt want another woman; he just doesnt want her. Forty-two and clueless, Charlotte is a fish out of water in a dating pool teeming with losers. Just when she thinks shes finally put her failed marriage behind her, it comes back to bite her in the ass...hard. Without warning, Charlotte finds herself staring down the barrel of a future she wouldnt (she would totally) wish on her worst enemy. Engaging, fearless, and relentlessly funny, *Pretty Much Screwed* is a story of love, loss, friendship, forgiveness, turtledoves, taxidermy, and one hilariously ill-placed tick.
