

Pride of a Hunter (The Seekers)

TWO SCARRED HEARTS As far as former CIA sniper Lucinda Taylor was concerned, her heart died the day she pulled the trigger that left her a widow and a single mom. Then fellow agent Dominic Skyrlov came to town to hunt down a dangerous scam artist, and Luci was shocked to feel an exhilaration she hadn't felt in seven years—a feeling that made her think she and this brave, bull of a man might be more than old friends. But Dom had his own secrets about that tragic day. And now, with her family in growing danger, Luci had to decide if Dom was her last, best shot at redemption and love or just a terrible reminder of everything she'd lost.
