

To Grow-Up in Remote China (Travel to Sichuan and Tibet With Son) (Chinese Edition)

This book was written by Peng Lingyun. Brief introduction: In order to let his weak son, who is also reluctant to work, experience difficulties and stress and become strong in both physical and mental, the author, a cycling enthusiast, brought his 9-year-old son started an extraordinary growth journey in the summer vacation of 2010. Their journey followed the Sichuan-Tibet Railway from Chongqing to Lhasa. They spent 47 days cycling and finally succeeded in reaching Lhasa, where the highest point is 5,013 meters high, from the city of Chongqing. During this journey, Xiuxiu, the son grew up every day, which surprised the father. The father and the son finally stepped at the foot of Potala Palace after 47 days.
