

## Rebel Raiders

At her uncles hillside burial, Dill Dunbar learns General John Hunt Morgan and his Rebel cavalry are headed straight for Jackson. While Pa is fighting for the Union at Vicksburg, Ma contracts diphtheria and Dills brother must defend the town, leaving Dill to protect the farm. When the enemy soldiers arrive, Dill strikes a bargain: she will cook breakfast for all fifty-two men if they will leave the farm unharmed and not steal her brothers prized horse. But can Dill trust the enemy to keep their end of the bargain? Based on a true story.
