

River of the Broken-Hearted

Janie McCleary runs one of the first movie theatres in New Brunswick. A successful woman in a world of men, she is ostracized, a victim of double-dealing and overt violence. She trusts no one outside her family. Spanning generations, *River of the Brokenhearted* explores the life of this formidable woman, a pioneer before the age of feminism, and her legacy as it unfolds tragically in the lives of her son and grandchildren. Written with aching compassion and masterful sophistication, *River of the Brokenhearted* muses on the tyranny of memory and history, and peers into the hearts of these extraordinary characters. By the author of *Mercy Among the Children*.
