

Roan Mountain: A Passage of Time

From Andre Michaux, John Muir, and other early explorers, to General John T. Wilder and the developers, from the Roans inexplicable balds to the lush forests of its Canadian zone, here is the story of one of the best-loved places in the Southern Appalachians. This new edition contains over 30 historical photographs not previously published. New chapters added to the book tell of intriguing new biological discoveries, notable historical visitors, and the findings of the authors research conducted since the first edition was published in 1991.
