

## Sams Teach Yourself Digital Video and Dvd Authoring: All in One

Life is full of special moments that we don't want to let pass us by. With digital video equipment and your home computer, you can capture them forever. Sams Teach Yourself Digital Video and DVD Authoring All in One will show you how, step-by-step, from selecting the best equipment, to shooting great video, to authoring your own DVDs. You will cover multiple products and technologies, so whether you use Movie Maker 2, Studio 9, Premiere Elements, Sonics MyDVD or DVDIt!, you will benefit from the lessons in this easy-to-understand book. Learn techniques for taking all kinds of videos with your digital video camera, loading them onto your computer and then trimming, splicing and adding special effects using your video editing software. You will have professional-quality DVDs that will keep your memories, special projects and documentaries safe for a lifetime. Let Sams Teach Yourself Digital Video and DVD Authoring All in One get you started.
