

Sta. Maria del Popolo: Audio Guide to Santa Maria del Popolo in Rome and its Remarkable Art Treasures (Janes Smart Art Guides)

This is the indispensable guide for the curious of mind! Discover an abundance of art treasures and rare architectural features at one of Rome's best-kept secrets! Sta. Maria del Popolo's modest early Renaissance facade belies the riches that adorn the interior: the first Renaissance dome; the last Baroque tomb; celebrated work by Bernini, Bramante, Bregno, Caravaggio, Pinturicchio, Raphael and more! It's like having a private guide revealing the context of the art and architecture. You'll know what you're seeing when you put away your guidebook and listen while you look. The 2-disc set includes a pre-visit context guide (18 minutes); an on-site guide to the Piazza del Popolo and the church exterior (17 minutes); a guided tour of the church interior (80 minutes); plus an 8-page booklet with touring tips, track list, floor plan, timeline and glossary. You can tailor the tour to your pace schedule and interests. All you need is a portable CD player!
