

Saunders Q & A Review for the NCLEX-RNA Examination [With CD] Fourth Edition [4/E]

Get all the practice you need to pass the NCLEX-RN examination with Saunders Q&A for the NCLEX-RNA Examination, 4th Edition! Over 5,200 NCLEX-RN examination-style questions each with rationales, test-taking strategies, and textbook page references for each question provide immediate feedback and make it easy to learn and understand the material. Plus, you can study on the computer in three different modes - study, quiz, or exam - with the companion CD. * UNIQUE! Page references to Mosby or Saunders textbooks direct you to additional material for any question answered incorrectly. * Questions categorized by cognitive level, client needs area, integrated process, and clinical content area help you focus on the question types you find most difficult. * UNIQUE! Chapters organized by Client Needs familiarize you with the question mix in the NCLEX test plan blueprint. * All alternate item format-questions (multiple response, prioritizing, fill-in-the-blank, figure/illustration, and chart/exhibit) are included. * Introductory chapters on nonacademic preparation, test-taking tips, the unique CAT format, and more provide a solid foundation for your NCLEX-RN examination review. * An additional 200 questions provide even more opportunity for practice. * UNIQUE! Questions on heart and lung sounds with audio on the Companion CD provide practice with this new alternate item format expected to appear on future NCLEX-RN examinations. * Content from the new April 2007 NCLEX-RN test plan familiarizes you with the newest topics you could see on the exam.
