

Science Instruction in the Middle and Secondary Schools: Developing Fundamental Knowledge and Skills

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Science Instruction in the Middle and Secondary Schools gives pre-service and novice teachers the knowledge and basic skills they need to enact the basics of science teaching purpose, planning, assessing, teaching, and managing. It features numerous motivating features such as vignettes, cases, classroom examples, exercises, and more, to give the concepts real meaning in readers everyday lives. This new edition supports science teaching and learning as reflected in the Next Generation Science Standards (NGSS), and prepares teacher candidates to demonstrate the knowledge, skills, and dispositions called for in the 2012 NSTA Standards for Science and Teacher Preparation.
