

The Farm Buildings at Sagamore Hill Historic Structures Report

The scope of this HSR was to perform a thorough investigation of the farm buildings at Sagamore Hill NHS as defined by the Directors Order 28. The report, which deals primarily with the subject buildings, incorporates context and background information about Sagamore Hill. The HSR contains Chronology of Development and Use, Current Physical Description, and Character-Defining Features and Recommendations for the historic farm buildings at Sagamore Hill, in accordance with National Park Service (NPS) standards. Paint analysis and color matching of the exterior finishes of each building is included as an appendix to this report. The report does not include a condition assessment, nor does it include Part 2. Treatment and Use or Part 3. Record of Treatment, which should be accomplished by the contractor after the treatment is completed.
