She is considered the source of the phrase The butler did it, although she did not actually use the phrase. She is considered to have invented the Had-I-But-Known school of mystery writing. She also created a costumed supercriminal called the Bat, who was cited by Bob Kane as one of the inspirations for his Batman. Rinehart wrote hundreds of short stories, poems, travelogues and articles. Many of her books and plays were adapted for movies, such as The Bat (1926), The Bat Whispers(1930), and The Bat (1959 remake).
