

## Small Log Homes: Storybook Plans and Advice

Whether you're planning a starter home or a lifelong retreat, Small Log Homes is an indispensable idea book for planning, building, and outfitting your cabin in the woods or on the prairie. Lush photographs show how log-home owners, builders, and contractors around the country have achieved the richness and warmth of cabin living within the bounds of economy and space management. And all without feeling cramped or hamstrung. For more information about log home building please visit the Authors Website.
