

Spider-Man Noir: Eyes Without a Face #1

Written by Carmine Di Giandomenico, David Hine, Fabrice Sapolsky. Peter Parker has a lot to be hopeful about. The Spider-Man is the beloved town hero; President Franklin D. Roosevelt is in the White House; the spiraling economy is on its first steps toward recovery; and with Norman Osborn out of the picture, organized crime in New York has lost its major player. But all is not well in 1934 America-dark forces are at play in the world, and a power vacuum in New York crime is quickly - and violently - being filled! Now Spider-Man must contend with a vicious new breed of killers, criminals, and maniacal death-dealers, reimagined from some of the greatest and deadliest foes of the Spider-Man! Rated T+
