

Starman #81

James Robinson revives his beloved STARMAN series for one more issue as a Black Lantern Starman haunts Opal City. Which Starman has returned and who can stop him from wreaking havoc on the city? Well, the Shade would rather just continue his date with Hope ODare, but if no one else can be bothered, what choice does he have but to investigate? Just dont dare call him a Super Hero. As the rest of the DC Universe is learning, defeating Black Lanterns isnt easy--is this the final curtain call for the immortal Shade? Find out in another one-issue revival of classic DC Universe titles!
