

## Target On Gold: Goal Setting for Swimmers & Other Kinds of People (Winning Isn't Normal® Series)

Why a book devoted solely to goal setting? Why set goals? You don't need them to get through life. But then, who wants merely to get through life? Goals bring meaning and excitement to your life. The better formed your goals and the more highly valued your goals, the more complete the immersion in their pursuit. Well-set goals get you feeling more alive, more engaged in life, performing better, reaping the rewards, and squeezing out every drop of meaning life has to offer.
