

The Avengers #351

In shocking fashion last issue, Raza stabbed the Black Knight during their duel in the hangar bay! And upon discovering their fallen teammate, Earth's Mightiest Heroes lash out at the Starjammers! Hercules and Thor drive Raza and Chod out of the mansion and temporarily defuse the situation! But the Avengers still want vengeance! So the Black Widow sends the Vision, Prince of Power, thunder god, Sersi, and Binary to chase the renegade Starjammers, while Crystal oversees Danes emergency medical treatment! When the Avengers catch up to the runaway space pirates, the battle is short and sweet! How will Raza slime his way out of this mess? And back at the mansion, another treacherous starjammer makes her move to finish the job on the wounded knight! With friends like the Starjammers, the Avengers dont need any enemies! Cameo appearances by Cyclops, Professor Xavier, Lockjaw, Luna, and Quicksilver.
