

The Big Red Fox: The Incredible Story of Norman Red Ryan, Canadas Most Notorious Criminal

Short-listed for the 2000 Arthur Ellis Award for Best Non-Fiction Norman Red Ryan was a notorious bank robber, safecracker, and killer. He escaped from Kingston Penitentiary twice - first by force, and then years later by gulling the credulous into believing that he was reformed. The dupes of Ryans second emancipation included the prisons Roman Catholic chaplain, several nationally prominent citizens, the countrys largest newspaper, and, ultimately, R.B. Bennett, the prime minister of Canada, who made the mistake of arranging a political parole for Ryan. Six people - three of them innocent victims - died as a result of Red Ryans freedom. Dubbed the Jesse James of Canada and Canadas most notorious criminal, Ryan had compiled a record of nineteen convictions for crimes of theft and violence, and had been in nine shooting affrays with police and citizens. He was a lifer in an era when life meant just that. Yet he got out of Kingston after just eleven and a half years and returned to Toronto, the city of his birth, amid fanfare befitting a national hero. His death in a liquor store robbery in Sarnia on May 23, 1936, just ten months after his release, was a huge jolt to Canada, and especially Toronto. How could such an obvious threat to society be paroled from prison as a paragon of reform? This question is central to The Big Red Fox. The answer lies not with Ryan himself - not even the cunning and deceitful Red Ryan could have hoodwinked his way out of a life sentence - but with those who helped him, and who benefited from his release.
