

THE BLACK ARROW

As produced by The Colonial Radio Theatre on the Air, this is the radio script for their production of the Robert Louis Stevenson classic, as dramatized by Gareth Tilley. Set in England during the War of the Roses, this swashbuckling historical epic tells of a young man betrayed by his brutal guardian and forced to seek the help of a mysterious society. Brimming with action, adventure, suspense, and romance, it is a classic portrait of England during one of its most tumultuous eras. This script is for private reading purposes only.
